

SAUSAL WINERY

2005 Cabernet Sauvignon Alexander Valley

The 2005 Cabernet Sauvignon, like all Sausal varietal, comes from 100% estate grown grapes. It is also 100% Cabernet Sauvignon, and so displays the true character and flavors of this widely known varietal.

This rich, classic Cabernet is a dark ruby color and opens with aromas of raspberry, cherry, cranberry and a hint of vanilla. Moderate tannin and acid make for a nice, long finish.

Enjoy this wine now, or cellar for a few more years. It will continue to evolve, bringing a wonderful reward to those who are patient! Pair with a leg of lamb, grilled skirt steak, or veal parmigiana.

Cases Produced: 350
